

Hand to hand

The great stream of people gravitating around the Venezia Unica ticket points can be also capitalized by “hand to hand” operations. At the following Venezia Unica ticket points: Piazzale Roma, Stazione Ferroviaria, Rialto, S. Marco Vallaresso, S. Zaccaria Danieli, S. Zaccaria Jolanda, Lido, Tronchetto and Punta Sabbioni, it is possible to organize a distribution activity of flyers or other free material. Depending on location and type of product, it is therefore possible to address the entire target of users, even for just one day, upon specific requirement.
